StephenAudy@gmail.com

OBJECTIVE

To obtain permanent employment in the design field where I will be challenged to push my skills to their limit and be forced to supplement them with new ideas and methods, to become a better designer.

WORK EXPERIENCE

- 5/05 – present **AT&T Advertising and Publishing, Intelligent Media Ventures,**
Atlanta, GA
Senior Web Designer/Spherion Contractor
- Responsible for creating advertiser websites for Yellowpages.com™ as well as internal at&t projects.
 - Personally designed over 400 advertiser websites and hundreds of banners.
 - Responsible for mentoring and training junior level designers as well as newly hired senior level designers.
 - Design all sites with full CSS-based layout and XHTML 1.0 compliance.
- 9/97 – present **AudyDesign, Atlanta, GA**
Owner
- Worked on many projects ranging from 3D modeling and animation to web development and interactive design.
 - Created over 50 hours of Flash-based computer based training for CompuTaught corporation for the real estate industry
 - Created over one hundred hours of Flash-based mathematics lessons for iLearn, Inc.
 - Developed interface for a Flash/J2EE/MySQL rich internet application for the Softroads Company.
 - Developed graphical interface for Toga Networks wireless router.
 - Created interface design and all graphics for Coca-Cola promotional cd-rom from concept to completion.
 - Created all identity materials, magazine and newspaper ads, websites, and animations for the Chambers of Terror haunted house beginning in 1998 and continuing until 2005. This also included all identity materials for the Chambers of Terror parent company Directworx, Inc.
